

# Mustang Owners Club of Australia Vic. Inc. ( MOCA Vic)

## By-Law, Life Membership Awards.

20 February 2019

The purpose of this by-law is to set out and clarify how a member of the club may be nominated and considered for the award of Life Membership of MOCA Vic.

**The process therefore is:-** a nomination is received by The Secretary, the nominees years of continuous membership is checked, provided that is 20 years or more then the members points accumulation pursuant to 'The 30 Points System' will then be referenced.

Should both those criteria be met the Committee will then consider whether a Life Membership award should be made.

For the avoidance of doubt and for clarity;-

**a...**20 years or more continuous paid up membership and the accumulation of 30 or more points will not by themselves lead to an award of MOCA Vic. Life Membership and the Committee will always have the discretion whether to make an award of Life Membership. And

**b...**Should there be any differing comment, definition, process or criteria concerning MOCA Vic. Life Membership in any other MOCA Vic publication or notice the content of this By-Law and Schedule will prevail.
